

Accessories

Gateway Safety offers accessories for every need.

Gateway Safety offers a complete line of eyewear accessories, each designed to extend the life of your protective eyewear. The stylish and durable accessories provide maximum convenience and comfort.

Gateway Safety accessories include eyewear retainers in a variety of styles and colors, fashionable eyewear cases, sideshields, flip-ups and displays for eyewear and eyewear retainers.

RETAINERS

Gateway Safety retainers keep protective eyewear conveniently close. Each is designed to hold eyewear securely in place with maximum comfort and style, no matter the activity.

- **Cordz** Black, Purple, Navy Blue, Hot Pink, Brown, Fuchsia, Lime, Red, Yellow, Orange, Green, Royal Blue, White, Rainbow
- **DooDadz** Stretch Knit Fiber; Black, Red, Navy Blue, White
- **Gizmo** Cotton; Black, Red, Royal Blue
- **Loopz** Lycra; Black, Red, Royal Blue
- **Toobz** Nylon; Black, Red, Navy Blue

Retainers come with bar-coded hangtags. Cordz are also sold in bulk without hangtags. Display units are available FREE per the conditions listed below.

CASES

Gateway Safety eyewear cases extend your personal protective equipment budget by extending the life of protective eyewear. Durable cases are designed for demanding work environments.

- **C7500** Open top with pocket clip
- **C7600** Snap top with pocket clip
- **C7700** Velcro top with belt loop
- **C7800** Extra large with belt loop – available w/ velcro top (C7800) or three pencil slots (C7900)
- **C8000** Oversized with velcro top and plastic clip

SIDESHIELDS

Easy-to-install sideshields are available in slip-on, screw-on or clip-on versions. Each adds side protection to prescription and plano safety glasses.

- **AT7** Slip-on
- **SR1** Screw-on
- **AT1** Slip-on
- **US1** Clip-on

FLIP-UPS

Flip-ups fit firmly onto the frame of spectacles and feature easy on/off spring clip. Choice of polarized, gray or IR filter 5.0 lenses.

- **G2** Gray, polarized lens reduces sun glare
- **G3** Gray, 2 mm thick polycarbonate lens
- **G4** IR Filter 5.0, 2 mm thick polycarbonate lens

DISPLAYS

Eyewear displays are meticulously designed to hold ALL Gateway Safety protective eyewear styles. Displays are available FREE OF CHARGE to customers meeting the following criteria:

- **10-Unit Display (530010)** - Free of charge with an order of at least 50 spectacles shipped directly to location of customer (or customer's customer). One unit per location.
- **24-Unit Display (530024)** - Free of charge with an order of at least 125 spectacles shipped directly to location of customer (or customer's customer). One unit per location.

Purchase 10-Unit and 24-Unit Displays outright and receive a 5¢ credit on each future spectacle purchased for resale in the general retail market, with maximum credit not to exceed the total accumulated cost of displays purchased.

- **Eyewear Retainer Display (530008)** - 8-Hook retainer display helps merchandise Gateway Safety's five fashionable eyewear retainers. One display per ship-to location is free of charge with an order of at least 50 retainers.
