

FUSION™

It's Simple. They'll Wear Them.

In many work environments, dangerous and potentially costly occupational hazards exist. For workers to be protected, eyewear needs to stay on.

FUSION™ Protective Eyewear offers bold styling and rugged construction, creating a powerful and lasting first impression.

Immediately, your workforce will like the way **FUSION** looks, fits and feels. They'll put them on and keep them on.

FUSION Protective Eyewear helps protect your workforce and your bottom line.

Gateway
SAFETY, INC.

FUSION™

FUSION™ is designed for use in the most demanding industrial environments.

FUSION™ Features

- Contemporary styling results in protective eyewear that workers want to wear. Workers put them on and keep them on...longer!
- Ultra-lightweight design provides increased comfort and balance.
- One-piece frame is made of impact-resistant polycarbonate.
- Adjustable temples allow for a personalized fit.
- Wrap-around styling fits virtually any worker...better!
- Scratch-resistant lenses block in excess of 99.9% UV-A and UV-B light up to 380 nm.
