

SAFETY ID **LANYARDS**

Who You Are Matters... So Does Your Safety And Security

In a comfortable work environment, who you are really does matter. Whether you are part of a small business, large corporation, or government agency, you need security today more than ever before.

ID Lanyards help provide a safe, carefree work environment, allowing access to those that matter, and keeping out those that don't.

All Gateway Safety ID Lanyards come with either the **QuikPop™** or **QuikRelease™** breakaway feature, providing additional protection against potentially harmful entanglement. Plus, all Gateway Safety ID Lanyards come with a detachable ID clip...other than your badge and an optional holder, no extra parts are necessary.

SPINNERZ™

Item # 490 Black

Item # 491 Red

Item # 492 Navy Blue

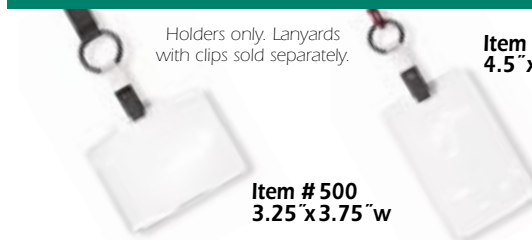

Easily attaches to pockets or even belts! Ideal for ID swiping!

Spinnerz ID extender features a coiled extension cord, making it a superior, unobtrusive solution for companies that require regular ID scanning to access areas of the office or plant.

- 1/2" diameter imprintable surface
- 30" extension cord keeps IDs securely out of the way

BADGE HOLDERS

Holders only. Lanyards with clips sold separately.

Item # 500 3.25" x 3.75" w

Item # 510 4.5" x 2.75" w

Made of a durable vinyl material, Gateway Safety badge holders protect your ID badge, proximity (proxy) card, driver's license or other forms of identification that don't have a pre-punched slot. Available in horizontal or vertical orientations.

- Easily attaches to most ID clips
- Clear material allows ID badges to be read without removal
