

# SPEC-SHIELDS™

**Patented universal  
sideshields offer  
side protection to  
prescription and  
plano safety glasses.**

- **SPEC-SHIELDS™** are made of clear optical quality plastic.
- Protective eyewear properly fitted with **SPEC-SHIELDS** have passed the ANSI Z87.1 high velocity impact test for protective eyewear with sideshields.

**SPEC-SHIELDS are easy  
to install:**

- 1)** Slide SPEC-SHIELDS onto the temple through the two slots that allow it to fit best. Be sure SPEC-SHIELDS are on the outside of the frame.
- 2)** Fold SPEC-SHIELDS at the creases and wrap it around the outside of the frame.

SPEC-SHIELDS™ are individually polybagged, 100 pair per bag. Please call or fax for a FREE sample.
